WHAT IS WISE CERTIFICATION?

WISE stands for **Wireless Industry Service Excellence**. It is the industry recognized standard for retailers and technicians performing phone repair.

As a WISE Certified service provider, we are committed to delivering a consistent and reliable repair experience.

WHO DEVELOPED THE PROGRAM?

The short answer – the wireless industry. WISE Certification is a collaborative effort across carriers, manufacturers, insurance providers, retailers, and more.

We are focused on building consumer confidence while supporting the phone repair eco-system.

WHY IS THIS IMPORTANT?

The truth is repairing your phone is personal. You deserve a reliable and trusted professional to make sure your most valued asset is repaired with industry recognized standards.

Our hope is that this WISE Certified Provider location gives you peace of mind as you hand over your phone for repair.
