

Celebrating consumer
choice in device repair.

Recognizing repair
professionals who are:

CERTIFIED.
TRAINED.
TRUSTED.

We Got You Covered!

Your phone is your life. Finding a trusted technician for your device repair is important. You are in the right place! Thanks for choosing us.

Our Commitment to You.

We will talk with you about what happened, how we diagnose the repair, provide you with options, and explain the drop off/pick up process. We want to earn your trust. Our technicians are industry-recognized.

We are WISE™.

This location is WISE Certified and recognized by the industry as a location who has met the standards established by the wireless industry. The more than 21,000 WISE techs are proud to serve your device repair needs.
